RESPONSE TO ELECTION REQUIREMENT

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicant hereby responds to the election requirement mailed May 3, 2001. In that office action, the Examiner identified two distinct species, identified claims 17-35, & 40 as generic, required that the applicant elect one species for prosecution in the pending application in the event that no generic claim is finally held to be allowable, and required applicant to provide a list all claims readable thereon.

Applicant elects the claims drawn to Figure 8 without traverse. A listing of all claims readable thereon, besides the generic claims, includes the following: claims 36-39, 44-45, 50, 51, 53-58. Applicant also submits that claims 41-43 and claims 47-49 are generic claims which are readable on either species identified by the Examiner.

Applicant does not believe that any fees are due at this time but the Commissioner is authorized to charge Deposit Account No. 12-2475 for any fee deficiency.

Respectfully submitted,

LYON & LYON, LLP
